Thanks David. And I will not be attending with Adam but will support him with any follow ups from the Congresswoman or her staff.

I am sure Adam is fantastic—I just want to check, is he prepared to take questions and is that a situation we are comfortable with? Austin, will you be attending with him?

We have Adam Adams confirmed for this. He attended the Congresswoman's other community meeting request this past Monday.

Per the staffer:

The following agencies listed below have been invited and confirmed. The main purpose of the Town Hall is for the Community to provide an update on what's has happened in the last 30 days since the incident? What are the next steps? The community will also have an opportunity to ask questions. The first 45 minutes will be to provide updates (about 7 to 8 minutes each agency), the rest will be for Q&A.

Environmental Protection Agency (EPA)  
Texas Commission on Environmental Quality (TCEQ)  
U.S. Coast Guard  
Chemical Safety Board  
Harris County Public Health  
Harris County Fire Marshall

The address is:

Milby High School – **Auditorium**  
1601 Broadway Street  
Houston, TX 77012
